CLUB OWNER ASKS LATER CLOSING HOUR

Cecilia Almeida, owner of King of the Road, and Celso Branco, manager of the club, met with Chairman R. William Blasdale at the regular Selectmen's meeting on December 7 and stated that their survival depends upon a 2 A.M. closing hour. They said that, since the 1 A.M. closing went into effect, starting in May 1976, the club has lost \$23,560.09 and that this month both parties have had to put \$4,000. each of their own savings into the business in order to meet expenses. Mrs. Almeida said that the business is unique in that it is solely a night club and, as such, cannot make up the loss with food sales. Mr. Branco said that people come late to the club and then leave early because of the earlier closing. He said that

A WARM AND FRIENDLY GIFT FOR THE FAMILY

**Convert your fireplace to an
efficient home heater...with Better 'n Ben's**

...BETTER 'N BEN'S THE FIREPLACE STOVE

FIRE BOX: 18" HIGH; 18" WIDE; 24" DEEP
DOOR OPENING: 9" x 13"
WEIGHT: 143 POUNDS
BACK PANEL: STANDARD
34½" high x 42" wide

Note: This panel easily adaptable to most
fireplaces.
Other sizes available on request.

Better 'n Ben's is the most exciting and innovative breakthrough in woodburning stoves since the Franklin.

Uniquely, but simply designed, Better 'n Ben's is placed directly in front of the fireplace opening. The combined stove and fireplace cover panel is securely and safely fastened in minutes so the stove utilizes the existing fireplace flue.

Now, instead of the heat going up the chimney, it is recovered and will provide warmth for large rooms and in many cases, entire homes. It will burn seasoned wood throughout the night.

Homeowner reports on this new stove cite up to 60% savings in fuel oil costs and the kilowatt consumption in electrically heated homes cut more than half.

WE HONOR MASTER CHARGE
and BANKAMERICARD

Better 'n Ben's is attractive in the home and made of sturdy, long-life, heavy, black iron that radiates heat well. It has a broad top to provide a large cooking surface.

Fully guaranteed.

We have a kit available to convert Better 'n Ben's to a free-standing stove for use anywhere.

Also available: See-through Screen Door for viewing fire.

Acting on Selectmen's request for action concerning traffic hazards at North and Water Streets and Acushnet Road and Main Streets, the Traffic Survey Committee has concluded that at North and Water there will be installed a stop sign. At Acushnet Road and Main Street they feel that a sign signifying to slow down dangerous curve ahead will be sufficient for this area.

The Selectmen received a complaint from Mr. Eugene Sackman concerning a traffic hazard at Park Street and Acushnet Road.

SAFETY TIPS FOR SNOW THROWERS

You can clear a path in the snow safely and easily by following these tested tips from the experts at the Outdoor Power Equipment Institute:

1. Read the owner's manual. Test your machine and become familiar with it before attempting to remove the snow.

FIRST STEP—Read the owner's manual before using a snow thrower.

2. Never direct the discharge at bystanders—debris may be hidden in the snow—and never allow anyone in front of the machine.

3. Adjust height to clear gravel or crushed rock surfaces.

4. Do not allow children to operate the machine or allow adults to use it without proper instruction.

5. Disengage all clutches and shift into neutral before starting motor. Keep hands, feet and clothing away from power-driven parts.

By following these tips when you're snowed under this winter you'll be able to clear walks and driveways with ease and safety.

ROCHESTER HISTORICAL SOCIETY

The Rochester Historical Society is pleased to announce that the "Founder's Day 300" plates have arrived, on time, and in time for Christmas giving. The plates are blue on white, eight and a half inches in diameter, and show the Rochester Town seal, enlarged to fill the entire plate.

The plate has stirred many questions about the seal. Just who designed it is a question we cannot answer, and we would welcome any comments about it. The building shown, the "old town house", was an early Town Hall, although not the original. It stood in front of the present Town Hall on "the green". In 1891 it was sold to Mr. Pratt who moved it down Dexter Lane and used it on his bog as a tool house and screen house. It is no longer standing. A painting of this building is on display in the meeting room at the Town Hall.

SIPPICAN CHORAL SOCIETY CONCERT

Vivaldi's "Gloria", one of his most renowned and most performed compositions will be sung by the Sippican Choral Society next Friday at 8 P.M. at Tabor Academy's Wickenden Chapel on Spring Street, Marion.

The "Gloria" was written in the late 17th century when music pervaded all aspects of Venetian life. There was hardly a place or time where there wasn't music.

Accompanied by a 9-piece chamber orchestra and the Somerset Brass Quintet, the 75-member choral group also will sing selections by Gabriel Vaughan Williams, DesPres and Pinkham.

SAFETY TIPS

Horatio Bond, former chief engineer for 30 years for the National Fire Protection Association, said annual holiday death toll due to fires from Christmas trees could be reduced if homeowners observed the following guidelines.

1. Don't leave children alone when a Christmas tree is lighted.
2. Make certain Christmas trees are green and not dried out.
3. If using an artificial tree, be sure it is labeled flame-retardant.
4. Install the tree in a pan of water to delay the drying out process.
5. Unplug the Christmas tree before going to bed.
6. Get rid of the tree before New Year's.

Collage Ensemble at S.M.U.

The Collage Ensemble of Boston will make its first much heralded appearance in this area on Friday, December 17, as part of the Cultural Affairs Series at Southeastern Massachusetts University. The concert will take place in the SMU auditorium at 8 P.M.

Collage is a chamber ensemble made up of members of the Boston Symphony Orchestra and guest artists. Their programming has been called unique, exciting and highly entertaining, and they often engage in theatrical musical works using dance, acting, and props. In their concerts across the nation, they have been hailed as "breathtakingly virtuosic" by the Boston Globe, "superb" by the New York Times, and having given a "fine and beautifully balanced...performance" by the San Francisco Chronicle.

On December 17th the group will use a flute, clarinet, two violins, viola, cello, piano, percussion, and soprano.

This first for the SMU community is funded through the generosity of the student fees fund. The admission price for the public is minimal. Admission for SMU students is free. Tickets will be available at the door.

opportunity to thank my committee who worked so hard over the past three years planning and carrying out the many Bicentennial events we here in Mattapoisett enjoyed. I would like to thank the many organization and people in town who spent many hours assisting our committee, and a special thank you to the Rev. Donald H. Finley and Father William McClenahan SS.CC for the many religious services and the use of their churches during the Bicentennial. These services were so much a part of our celebration this past year as our forefathers 200 years ago. A great opportunity was given our children here in Mattapoisett to sduty and take part in the last 200 years of history during our Bicentennial. They will remember this forever. We here in Mattapoisett have been blessed with a beautiful town, a spirit of cooperation, a love for our great country and the spirit of religious unity. I consider myself very fortunate to be born in Mattapoisett and live here all my life. I would like to wish you all A Merry Christmas and A Happy New Year.

Tobey News

On Thursday afternoon, December 2nd, members of Tobey Hospital Guild unanimously voted to donate \$5000 from their Friends for Life Fund toward the renovation of the outpatient waiting areas of Tobey Hospital. The Friends for Life Fund, an idea conceived by Mrs. C. Hammett Cowell in 1966 while she was president of the Guild, was originally chaired by Mrs. Raymond D. Stillman with the purpose of raising money for permanent improvements or innovations to Tobey Hospital.

Any person may become a Friend for Life with permanent membership in the Guild by donating one hundred dollars. The money accruing from this source is placed in a separate account and is not to be touched until the fund accumulates a minimum of five thousand dollars. In 1972 the fund's first gift was given toward the construction, furnishing, and maintaining of Tobey Hospital's unique Meditation Room. Upon reaching the goal once more, a group chaired by Mrs. William Atwood of Marion sought another permanent improvement, finally deciding on the outpatient area. And so, at the December meeting, the Guild members generously voted to donate this sum to the

Joyce Goodman, alumni affairs director, said "The plate series offers the SMU community, its many alumni and friends a unique and exclusive memento of the University. It is certain to be popular as an award, gift or keepsake for anyone connected with SMU not only for its aesthetic value but as a reminder to so

many whose lives have been touched by the University and the surrounding community."

Each set of plates will depict a building or scene on campus and will be limited to five hundred plates. There will be five designs in the series, one each year throughout a five year period. The Library-Communications Center has been chosen as the first building in the series which is now ready for sales distribution.

When buying your first C.B. rig - the points to look for: Will this set be FCC approved for sale after Jan. 1, 1977? Does the unit have noise limiter (ANI) & noise blanker (NB)? Or will I possibly have to spend more dollars to suppress the noise after installation? Is this unit equipped with Phase Lock Loop (PLL)? If not, it cannot be converted to 40 channels. The time of guarantee or warrantee by factory or dealer in writing. Does the unit have a R.F. Gain to bring in distant stations & eliminate bleed-over from adjacent stations? There are many magazines on the stands that will advise you of the pitfalls in buying your first C.B. Pickled Grouch
